greetings!

This Nontraditional Educational Options catalog is for you if you are looking for a seminary program that will enable you to be equipped biblically, theologically, and practically in your present ministry or vocational context without having to uproot yourself or your family.

The options outlined in this catalog are designed around Trinity Evangelical Divinity School's Master of Arts (Christian Studies) (MACS) degree program or the Certificate in Christian Studies, which enable you to engage in contextualized learning that you can immediately apply to your ministry or vocational context.

Whether you desire a whole degree or to take occasional courses for refreshment or stimulation, or for satisfaction of a professional continuing education requirement, these educational options can further equip you for more effective ministry within church, parachurch, or Marketplace ministries.

This catalog outlines a number of flexible delivery formats that will enable you to complete Trinity's Master of Arts (Christian Studies) or the Certificate in Christian Studies without having to relocate to Trinity's Deerfield campus. These formats include Distance Education courses, Church-based Seminary Extension sites, Campus Modular Courses, and Wrap-Around Intensive Courses. Our Flexible Delivery Formats page provides direction as to how these options might fit together for you in attaining your seminary education.

It is our privilege to serve you. Making seminary accessible to nontraditional students is our heritage. Whether you choose the Master of Arts (Christian Studies) degree or the Certificate in Christian Studies or decide to take courses for personal enrichment, we desire to assist you in designing a program of study that will enable you to be more effective in the ministry to which God has called you.

Please feel free to contact me or one of my staff at Trinity Extension with questions you may have about programs, courses, or extension sites or about how a course of study might be designed to suit your needs by dialing 800.588.7705. We look forward to hearing from you.

You are also able to access information about Trinity's extension program, courses, and syllabi by logging onto our website. Our web address is www.tiu.edu/divinity/admissions/accessible.

TRINITY'S NONTRADITIONAL OPTIONS

Trinity Evangelical Divinity School offers two ideal paths for nontraditional learners who are interested in pursuing a program marked by breadth, depth, and flexibility. For mature learners who are unable to relocate to Trinity's Deerfield campus for theological education, Trinity offers the Master of Arts (Christian Studies) (MA/CS), which also has an emphasis in Urban Ministry (MA in UM), and the Certificate in Christian Studies. Both the 42-semester-hour MA/CS and the 24-semester-hour Certificate enable you to deepen your biblical and theological knowledge base while broadening your ministry scope through relevant course work in any or all of our departments at Trinity. Your goals, effectiveness in ministry, and impact in the secular workplace will be significantly enhanced by the training you receive in these quality programs.

A most attractive feature of both the Certificate and the MA/CS is their flexibility (though the MA in UM is a tightly focused program). These programs allow you either to devote your large number of free electives to concentrated study in one or two areas of interest or to develop a comprehensive program from Trinity's broad selection of course offerings, which have been drawn from several master's-level programs, including the MDiv. You will have the opportunity to pursue study of both theoretical and practical concerns, integrating the two for deeper Christian growth and ministry effectiveness.

Another appealing feature for many nontraditional learners is that either program can be pursued in a nontraditional educational format. All of the Certificate and a large amount of the MA/CS can be done through Distance Education courses (DE). While there is no formal limit as to how much of the MA/CS may be completed through Distance Education courses, we do recommend a self-imposed limit of fifty percent, in order to maximize your interaction with TEDS professors in a classroom format. Further, if you are within driving distance to one of our extension sites, you can complete the majority of the MA/CS degree at the extension site, with a minimum of 3 hours to be done at the Deerfield campus. The Certificate can be completed entirely at any of our extension sites. Also, it is possible to complete both programs during summer sessions at our Deerfield campus. A program advisor is able to help design a plan for you to complete the program of your choice through a combination of these options. Call Trinity Extension at 800.588.7705 to begin your path to theological education.

WHAT YOU CAN DO WITH YOUR DEGREE

The MA/CS may be the ideal degree for you if you are

- Already involved in ministry and do not need a professional program such as the Master of Divinity
- Seeking seminary education but cannot leave your place of ministry or employment and move to Deerfield
- Desiring to start the MDiv degree, but cannot relocate to Trinity now
 - Up to 50 percent of the MA/CS course work can be applied to your MDiv degree. (If you choose not to complete the MA/CS, a higher percentage may be applicable.)
- Seeking to be better equipped for lay leadership in the church
- Desiring to be a more effective witness in the marketplace
- Interested in specialized ministries both overseas and in the United States

The training you receive in the MA/CS will be most beneficial in reaching those ends.

The Certificate serves some of the same purposes as the MA/CS, yet on a smaller scale and with less extensive training. It is ideal if you desire a "trial year" in seminary to more clearly define your goals and to determine if you would like to pursue one of our degree programs in the future. Moreover, the Certificate is often earned by students who are preparing for missionary service and need to satisfy their mission board's requirement for one year of seminary training.

FLEXIBLE OPTIONS TO EARN THE MA/CS AND CERTIFICATE

- All of the Certificate and the majority of the MA/CS (except for 3 hours at the Deerfield campus) can be taken at any of our extension site locations throughout the country.
- Work on the MA/CS and Certificate through Distance Education courses from the comfort of your home.
- Continue by taking our one-, two-, or three-week modular summer classes at the Deerfield campus.
- Take classes as a daytime or evening student on our Deerfield, Illinois, campus during the regular academic year.
- Take advantage of occasional wrap-around courses providing Trinity credit in conjunction with high-profile conferences such as Urbana, Spiritual Formation Forum, Xenos Summer Institute, and so on.

To design a plan for you, please contact the Office of Extension and Affiliated Education at 800.588.7705 or 847.317.6550.

MASTER OF ARTS (CHRISTIAN STUDIES) PROGRAM (MA/CS)

Program Purpose

The MA/CS purposes to provide a basic understanding of Christianity for general educational purposes. Trinity's MA/CS program draws from the breadth of the curriculum requiring substantive study in biblical, theological, and historical and global areas, combined with a significant number of hours in the student's area of interest. The program is particularly suited for Christians desiring to better understand God's revelation to humanity in the biblical and theological context of orthodox historic Christianity and who are engaged in nonchurch-related vocations or for those seeking a general theological degree to accompany a specialized master's degree. As a seminary degree, its particular concern is to relate Christian studies to the work of the church.

MA/CS course work is available at TEDS extension sites, and may be completed in total at the South Chicago Regional Center, the Florida Regional Center, and in Columbus, Ohio. Some course work may also be completed through distance education.

MA/CS Program Objectives

The MA/CS will enable participants to

- Understand the biblical and theological constructs that form the foundation for the Christian faith
- Think critically and constructively about the historic and global contexts of Christianity
- Examine closely an area of Christian studies of personal interest
- Articulate their Christian faith in light of their present vocational engagement
- Grow in personal and spiritual maturity

MA/CS Program Admission Requirements and Prerequisites

The admission requirements for the MA/CS are those described under the Admissions section of the catalog, and the following further requirements specific to the MA/CS program:

- Applicants must possess a baccalaureate degree, or the educational equivalent, from a recognized accredited institution. In some cases, admission with deficiencies is possible with fulfillment of those deficiencies at Trinity.
- The applicant's undergraduate grade point average must be a minimum of 2.5 on a 4.0 scale; however, since GPA is not always an accurate indication of an applicant's abilities for graduate work, those with a lower GPA are encouraged to consult with an admissions counselor.
- Scores from the Miller Analogies Test (MAT) (preferred) or the Graduate Record Exam (GRE) are required for applicants whose undergraduate GPA is less than 2.5, and for others upon request from the Admissions Office.

MA/CS Residency Requirement and Program Duration

The residency requirement for the MA/CS degree is that a minimum of 24 hours must be completed through Trinity course work, with the final 8 hours taken through Trinity. The 24 hours may be completed in Deerfield, at an extension site, or through Trinity independent study courses as arranged with the program advisor.

MA/CS Statute of Limitation

All MA/CS program requirements must be completed within eight years of matriculation into the program. Extension of the statute of limitation for up to two years may be granted by petition when a student has demonstrated consistent program progress toward the degree.

MA/CS Candidacy Requirements

Admission to the MA/CS program must be followed by achievement of candidacy for the degree. Program candidacy occurs when

- A minimum of 16 hours in the program are completed with a minimum GPA of 2.5 after admission to the program
- All entrance deficiencies and conditions are removed
- Formal action has been taken by the faculty to grant candidacy for the degree

MA/CS Graduation Requirements

1. Complete the General Graduation Requirements for all master's programs.
2. Complete a minimum of 42 semester hours with a cumulative GPA of at least 2.5, with no course work graded below a "C-" applicable to the degree.
3. Complete two semesters of Field Education.
4. Complete the MA/CS capstone project in the form of an integrative paper, focused topical paper, or project for two hours.

MASTER OF ARTS IN URBAN MINISTRY (MA IN UM) PROGRAM

Note: TEDS, with the approval of the Association of Theological Schools, offers the Master of Arts in Urban Ministry degree program at the South Chicago Regional Center in Dolton. Although some urban-ministry-related courses are available in Deerfield, participants should plan to make the South Chicago Regional Center the center of their program activities.

MA in UM Program Purpose

The MA in UM serves students engaged in urban ministry who desire a graduate degree that provides knowledge and skills for effective ministry in an urban setting. The emphasis is designed for the mature student with significant experience in urban ministry. While the objectives of this emphasis focus on the specific needs of minority students in urban ministry, others with appropriate urban ministry background or vocational goals are encouraged to apply. The MA in UM has the following objectives:

- **Professional Competence.** The program will contribute to effectiveness as a pastor, preacher, and teacher.
- **Educational Legitimization.** The structures of a complex urban society often call on urban pastors to intercede with agencies such as the welfare department, courts, public schools, and social work systems. Adequate professional skill and academic credentials legitimizes the urban pastor's ministry in these contexts.
- **Theological Integration.** The integration of social and spiritual responsibilities in urban ministry often lacks a clear framework. The MA in UM program provides a contextualized setting for engaging this integration.
- **Marketable Skills.** Professional competence and academic credentials enhance the opening of ministry opportunities for urban pastors.

MA in UM Design and Requirements

The MA in UM's main campus in the city of Chicago offers classes at times conducive for persons engaged in full-time employment. The entire program may be completed at the South Chicago Regional Center; however, many courses are also offered on the Deerfield campus.

The curriculum design enables completion of the required 48 hours in approximately three years when taking two courses (6-8 hours) per semester, making the emphasis accessible to those engaged in full-time ministry. Upon completion of course work, a written professional project is also required that reflects the engagement of the student's academic training with ministry experience.

Currently, courses are offered in Dolton across the street from New Life Celebration Church of God at 14200 Dante Avenue. Updated course information may be obtained through Dr. Michael Reynolds, Assistant Dean of Extension and Continuing Education and Director of the MA in UM program at 312.952.0644.

MA in UM Admission Requirements and Prerequisites

In addition to the General Admission Requirements described in the Admissions section of the catalog, the following further requirements are specific to the MA in UM program:

- The applicant's undergraduate grade point average must be a minimum of 2.5 on a 4.0 scale; however, since GPA is not always an accurate indication of an applicant's abilities for graduate work, those with a lower GPA are encouraged to consult with our admissions counselors. Alternative evaluation is sometimes possible as is admission status that will permit the applicant to demonstrate the ability to do graduate work.

MA in UM Residency Requirement and Continuation

Residency requirements for the MA in UM degree:

- 24 hours must be completed through Trinity course work.
- The final 8 hours must be taken through Trinity.

Upon completion of all but 6 hours of course work in a program, continuous registration each fall and spring semester is required. If a student is not registered for remaining course work, a continuation fee is assessed each semester until all program requirements have been met. If the student has not completed the program after four semesters of continuation status, the fee amount is doubled for the next four semesters.

MA in UM Statute of Limitation

All MA in UM program requirements must be completed within five years of matriculation into the program for students enrolled on the Deerfield Campus. Students enrolled at extension sites must complete all requirements within eight years. Petition to extend the statute of limitation may be made by a student to the Academic Exceptions Committee.

MA in UM Candidacy Requirements

Admission to the MA in UM program must be followed by achievement of candidacy for the degree. Program candidacy occurs when

- A minimum of 16 hours in the program are completed with a minimum GPA of 2.5 after admission to the program.
- All entrance deficiencies and conditions are removed.
- Formal action has been taken by the faculty to grant candidacy for the degree.

MA in UM Graduation Requirements

The following requirements must be completed to earn the MA in UM degree:

- Complete the General Graduation Requirements for all master’s programs.
- Complete a minimum of 48 hours with a cumulative GPA of at least 2.5, with no course work graded below a “C-” applicable to the degree. A maximum of 33 percent of course work may be completed in an independent study format (Reading, Guided Research, and Distance Education courses).
- Take three semesters of field education.
- Meet the general comprehensive requirements in Old Testament, New Testament, and three in Systematic Theology through either successful completion of the exams or parallel course work. See the *Academic Handbook* for details on these exams.

MA in UM students may complete the general comprehensive requirement through Distance Education courses (OT 5000, NT 5000, ST 5101, ST 5102, ST 5103) when available, which must be passed with a “C” or higher. Failure to pass at this grade level necessitates completion of the classroom course.

- Complete an MA in UM capstone project in the form of an Integrative Paper (ID 7480), demonstrating the relationship between your biblical and theological studies and your intended vocational objectives. MA in UM students must complete an approved professional project (PT 7471, PT 7472), reflecting academic training, practical experiences, and demonstrated ability in the practice of urban ministry.

THE CERTIFICATE IN CHRISTIAN STUDIES PROGRAM

Purposes of the Certificate

The Certificate in Christian Studies is designed for persons who desire to take seminary course work but do not wish to enroll in a degree program. It is also an appropriate course of study for persons who have not yet decided on a degree program but who wish to experience seminary course work or to clarify their ministry calling. Admission to the Certificate does not ensure admission to a Trinity degree program. If a Certificate student later decides to enroll in a degree program, all program admission requirements must be met, and all residency requirements (those course hours that must be taken *after* a student has been admitted to a program) must be completed.

Admission Requirements and Prerequisites

Certificate in Christian Studies applicants should possess a baccalaureate degree, or the educational equivalent, from a recognized accredited institution. If an applicant has completed at least 60 semester hours of undergraduate work and possesses life experience that has prepared him or her for graduate study, admission may be granted.

Completion Requirements

The following requirements must be met to complete the Certificate in Christian Studies:

- Complete a minimum of 24 semester hours with a cumulative GPA of at least 2.0, with no course work graded below a "C-" applicable to the Certificate.
- Application for Certificate completion should be made one calendar year prior to the intended May, August, or December completion date through the filing of the Intent to Graduate form in the Records Office. This initiates the processes related to completion and serves to advise you of the requirements necessary for Certificate completion.
- Evidence of Christian life and character and recommendation accordingly by the faculty.
- Completion of all requirements required by the catalog curricula in effect at the time of initial enrollment.
- Settlement of all financial obligations to Trinity and any other ACTS seminaries with the accounting office.

Certificate Curriculum

The Certificate in Christian Studies combines course work throughout the curriculum. Participants are encouraged to select a breadth of courses from the various departments at TEDS. The Certificate may be completed by two semesters of full-time course work or by part-time enrollment. Certificate courses are offered on the Deerfield campus, at TEDS extension sites, and through Distance Education. All Certificate course work must be completed through Trinity. No specific courses are required for the Certificate in Christian Studies.

FLEXIBLE DELIVERY

Flexible Delivery Makes a TEDS Education Accessible

Our desire is to make a TEDS education accessible to all, while maintaining our commitment to community-building in a face-to-face context. We continue to work to create delivery options and plans that address the needs of students unable to enroll in regular semester-length, daytime courses. While the availability of particular courses varies from semester to semester, courses applying to the Certificate in Christian Studies, a Master of Arts (Christian Studies), or a Master of Divinity (MDiv) may all be completed in a combination of non-traditional modes. One may complete a Certificate in two years, an MA/CS in four years, and an MDiv in eight years by taking one or two courses each fall, spring, and summer semester. Visiting students and non-credit auditors who wish to attend courses for personal enrichment are also welcome.

Option One: Extension Locations

Church-based extension sites in

Akron, OH
Indianapolis, IN
Davie, FL
Chicago, IL
Cincinnati, OH
Columbus, OH
Madison, WI
Milwaukee, WI

hold weekend and evening classes. Classes at these sites generally meet for three to five weekends per semester and enable the completion of all MA/CS course work except for a one course Deerfield residency component. Many of these sites also offer summer intensive classes. For more information contact site coordinators or the main Extension Office at 800.588.7705 or 847.317.6550 for current information or visit our website at: <http://www.teds.edu/extension>.

Option Two: Distance Education Courses

Distance Education (DE) courses may be completed from anywhere in the world. Each course provides a programmed syllabus and a set of specific course assignments. Courses are offered using a combination of online, audio, video, and printed material depending on the course. The complete Certificate of Christian Studies may be completed in Distance Education mode, and Trinity is currently revising and expanding its offerings to enable students to complete some program-applicable course work through Distance Education. Contact the Admissions Office or visit the Distance Education website for more information www.teds.edu/distanceeducation.

Option Three: Conference Wrap-Around Courses

TEDS offers graduate credit in conjunction with a number of high profile conferences offered around North America. The Center for Bioethics and Human Dignity, the Urbana Conference, The Spiritual Formation Forum, Xenos Summer Institute, and the US Center for World Mission's Perspectives on the World Christian Movement course are all available for academic credit. Each year additional conferences are also available for academic credit. Contact the Office of Extension and Affiliated Education at 800.588.7705 or 847.317.6550 for current information or visit our website at: www.teds.edu/extension.

Option Four: Evening, Weekend, and Short-term Modules in Deerfield

The core MDiv curriculum and some free electives rotate through a four-year evening-weekend schedule on the Deerfield Campus. Evening courses generally meet one night weekly for fifteen weeks during the fall or spring semester; or for three or four weekends (Friday night and Saturday) during the semester. This rotation enables completion of MDiv course work over eight years for those taking four courses each year. Completion of short-term modules or summer school courses will lighten the load or accelerate the pace.

Some one- or two-week short-term modules are also offered during the semester. Short-term courses are taught by guest professors and regular TEDS faculty, and are sometimes offered off-campus as a conference wrap-around or intensive course.

Option Five: Summer School in Deerfield

The core MDiv curriculum and some free electives also rotate through summer school on the Deerfield campus. Summer courses are offered in one-, two-, or three-week short-term sessions. Courses are scheduled in two main sessions, Early Summer (May-June) and Late Summer (July-August) with a one-week summer break surrounding July 4.

The summer rotation enables completion of all MDiv course work over six summers for those taking a full summer academic load or over four summers for those taking an additional two or three courses during fall and spring semesters.

Summer is often a convenient time for teachers and those involved in campus ministries to complete biblical and theological studies and provide opportunity for other students to accelerate their program completion. Students admitted for the fall semester may begin course work in the preceding summer term. Beginning Greek and Hebrew are offered each summer, enabling students to "jump-start" their fall program.

Option Six: Daytime Courses in Deerfield

Most Deerfield Fall and Spring semester courses meet one day each week—morning, afternoon, late afternoon, or evening. Biblical language classes, and some other classes meet two days each week for pedagogical reasons.

View Course Schedules

Current and projected course schedules are available online at www.tiu.edu/tiu/academics/courseschedules.

Distance Education courses are always available with a course listing found at www.teds.edu/distanceeducation.

Current extension site offerings may be found at www.teds.edu/extension/sites

FINANCIAL AID

Trinity Evangelical Divinity School offers a limited number of financial aid options to help students pay for expenses in the Extension program. Please review the options listed below carefully because each option may require the fulfillment of a number of criteria.

1. Extension and Site Discounts

In recognizing the financial constraints that nontraditional students are under in affording graduate-level education, courses taken through Trinity extension are discounted from the regular cost of tuition charged at the Deerfield campus. Also, a number of the church-based extension sites offer further site discounts to enable students to enroll in Trinity courses for academic credit.

The only requirement to receive the Extension and Site discount is to be enrolled for Trinity academic credit at one of the extension locations.

See Site pages in this catalog or contact the Extension site coordinator for tuition information.

2. Full-time Ministry Rebates

Trinity Extension will issue rebate checks for the students who meet **all** of the eligibility requirements. All students who wish to apply for the full-time ministry rebate must pay the full tuition price to the sites and will be reimbursed the difference from Trinity Extension at the end of the semester, providing all requirements are met and paperwork is in. Checks will be disbursed once grades for the classes are received and full tuition payment for the student is confirmed. Checks will be made out to the person, organization, or church that paid the tuition.

The full-time ministry rebate is available to all full-time persons (paid staff, at least 35 hours per week) in church or parachurch ministry positions enrolled in Trinity's Master of Arts (Christian Studies) or Master of Arts in Urban Ministry program through a Trinity Extension site **only** and is applicable to classes taken only at extension locations or through Distance Education. This is a first-come, first-served financial assistance rebate, which means this rebate is available until funds that are set aside each year for this rebate are depleted. For more information regarding procedures to receive this benefit, please contact the coordinator at the extension site where you will be taking classes or, if taking Distance Education courses, please contact the Distance Education Office for details and an application.

For the 2009-10 academic year:

- This rebate is either \$17.50 or \$35 per semester hour, depending on the site location, for all eligible full-time persons in ministry positions who have applied to and been accepted into the MA/CS Program through an Extension site. You must be fully accepted into the MA/CS program before applying for this rebate.
- For MA in UM students, please contact the South Chicago Regional Center for details on their rebate program.

DISTANCE EDUCATION COURSES

Study at the graduate level from any location accessible by Internet or post office. Trinity's Distance Education (DE) courses provide tremendous flexibility for students located from Indiana to India, Boston to Brazil. DE courses are available in online formats that connect you to other students and qualified Course Tutors. Using TriNet, students are able to interact personally with a growing online community of students, staff, and professors. DE courses may be applied to a Trinity program, subject to the stipulations of that program, or transferred to another institution. If you are looking for education that is convenient and compelling, anytime, anywhere in the world, visit our website at www.teds.edu/distanceeducation.

Course Times:

Courses may be started at any time, from nearly anywhere in the world. If registration for a specific semester is required, see the DE Registration Calendar at our website: www.tiu.edu/divinity/distanceeducation/registrationcalendar.

For Information:

Please contact the Distance Education office at 847.317.6554 or 800.588.7705 or visit us on the web at www.teds.edu/distanceeducation.

Enrollment:

Look over the selection of courses available through Distance Education and choose a course. Courses can be viewed at our web site: www.teds.edu/distanceeducation/courses

- Register online or send in the completed Course Order Form in this brochure with payment or call with a credit card number (Visa, MasterCard, or Discover).
- Download the syllabus for your course, submit a Visiting Student Application (VSA) online, and request a transcript to be sent to us to show your eligibility for graduate credit (if you are not already admitted to a Trinity program). You may submit a VSA online at <https://www.tiu.edu/forms/visitingapplication.php>.
- Purchase course resources (audio lectures, textbooks, etc.).

Proceed to take the course and enjoy the benefits of Distance Education!

Tuition:

Regular tuition for the 2009-2010 academic year is \$345 per semester hour of credit. Cost for course materials is in addition to tuition cost.

Financial Aid:

For information, see our website: www.teds.edu/distanceeducation/aid.

Course Resources:

Materials for the courses are generally available in the Trinity Bookstore (800.456.7323 or 847.317.6800). Occasionally when a book is out of print or unavailable, the Distance Education Office may provide information about an alternative.

ACADEMIC INFORMATION

Completion Time

Visiting Students and students enrolled through extension sites may enroll anytime and have six months to complete each course (nine months for students overseas). Students enrolled full time in a master's degree program through the Deerfield campus must begin and complete DE courses within the framework of the regularly scheduled academic calendar.

In the case of a severe disruption in a student's life, a request for a completion-date extension should be made in writing to Trinity's Distance Education Office more than one month before the completion date. The request asking for a new completion date should explain the reason the extension is needed and be accompanied by a \$25 extension fee. A student enrolled in a degree program through the Deerfield campus may request extensions through the Dean of Students Office. A course that is not completed will be assigned a failing grade.

Visiting Student Status

Enrollment in DE is available to those who have earned a bachelor's degree. Students may enroll as a Visiting Student, which allows them to take graduate-level courses without being accepted into a degree program at Trinity. Courses taken may be applied to degree programs at Trinity (although permission to take DE does not imply or guarantee acceptance) or transferred to other institutions.

Note that before any grade can be recorded on official Trinity transcripts, students must do the following: (1) submit a completed Visiting Student Application; (2) provide an official transcript showing that a bachelor's degree has been earned (this should be sent directly to Trinity from the degree-granting institution); and (3) make complete tuition payment for the course. For more information about extensions, see our website: www.teds.edu/distanceeducation/enrollment.

Withdrawals and Refunds

Tuition may be refunded for a DE course upon written notice of withdrawal, according to the following policy: 100 percent refund within 30 days; 75 percent refund within 60 days; 50 percent refund within 90 days; no refund after 90 days. This policy is extended by 30 days in each instance for students overseas. Students enrolled in a degree program through Deerfield must abide by standard campus policies when making a withdrawal. These students should contact the Records Office for the appropriate forms.

Upon withdrawal from a DE course before the midpoint between enrollment and the completion date, and before the last day to drop a course (see the DE Registration Calendar for details), a grade of "W" will be given. Upon withdrawal after the midpoint or failure to complete the course, a grade of "F" will be given.

Limits on Use in Trinity Degree Programs

There is a limitation on the use of DE courses in Divinity School degree programs. See the TEDS catalog for details, available online at: www.teds.edu/academics/catalog.

Students who have already matriculated into a program at Trinity's Deerfield campus should contact the Office of Extension and Affiliated Education regarding significant differences in enrollment procedure for DE courses.

COURSE OFFERINGS

Please note that the following courses **with** the prefix "DE" use lectures on mp3 CDs (which may be purchased at the book store). Courses **without** the "DE" prefix vary in format. Consult the course's syllabus for details. For current **online** course offerings, visit www.teds.edu/distanceeducation.

ME 5000 FOUNDATIONS OF CHRISTIAN MISSION

Survey of the theology, history, culture, politics, and methods of the Christian mission, with special emphasis on recent developments, crucial issues, and future trends, ending with a careful study of missions in the local church. *Two hours.* (This course is applicable as ME 5000 without appeal.)

OT 5000 INTRODUCTION TO THE OLD TESTAMENT

An introduction to the literature of the Old Testament, the history of Israel, critical issues of Old Testament formation, method in Old Testament study, and the theology of the Old Testament. Designed for MDiv students with inadequate background in the Old Testament and for students in the MA and MACS programs. Not for credit toward the MA concentrations in Old Testament and New Testament. Counts as a general comprehensive examination course when a "C" or better is obtained. This course may not be audited unless the student (1) does not plan to take the related comprehensive exam, or (2) is auditing the course merely to review the material previously studied in another course. *Four hours.*

NT 5000 INTRODUCTION TO THE NEW TESTAMENT

Introductory survey of the New Testament, including the life and ministry of Christ, apostolic history, New Testament literature, principal critical issues, and the unity and diversity of New Testament theology. Designed for MDiv students with inadequate background in the New Testament and for students in the MA and MAR programs. Not for credit toward the MA program concentrations in Old Testament and New Testament. Counts as a general comprehensive examination course when a "C" or better is obtained. This course may not be audited unless the student (1) does not plan to take the related comprehensive exam, or (2) is auditing the course merely to review the material previously studied in another course. *Four hours.*

ST 5102 THEOLOGY II: CHRIST, MAN, SIN, AND SALVATION

This course covers the study of the person and work of Christ. It treats the nature of man both as a creature and as a sinner, including original sin, imputation of sin, and the nature and consequences of individual acts of sin. Discussion focuses on both the atoning work of Christ and on the application of the work of Christ by the Holy Spirit that runs from election through conversion and justification all the way to glorification. Required of all MDiv students and fulfills the second ST course requirement for all MA and MACS students. Counts as a general comprehensive examination course when a "C" or better is obtained. This course is a general comprehensive examination course for MA and MACS students and may not be audited by MA or MACS students unless the student (1) does not plan to take the related comprehensive exam or (2) is auditing the course merely to review the material previously studied for credit in another course. *Three hours.*

ST 5103 THEOLOGY III: HOLY SPIRIT, CHURCH, LAST THINGS

This course begins with the study of the person and work of the Holy Spirit. Focus then shifts to the doctrine of the church. Topics include the nature, mission, function, organization, and ordinances of the church, the use of the gifts of the Holy Spirit in ministry, and the relation of Israel to the church. The course concludes with a treatment of the Last Things in relation to individuals (including the intermediate state and the resurrection of the body) and in relation to the following corporate groups: the church, Israel, and the nations. Meets one ST General Comprehensive requirement for MA and MACS programs. *Three hours*

DE 5010 THE PENTATEUCH

A study of the contents of the Pentateuch against its archaeological background together with consideration of the particular Pentateuchal problems of evolution and higher criticism. The laws that form the basis of Israel's theocracy are examined with regard to their content, meaning, and applicability today. Lecturer: R. Laird Harris, PhD. (OT 5100) *Three hours.*

DE 5050 THE BOOK OF PSALMS

An introduction to the Book of Psalms, with emphasis on the principles involved in the exegesis of the hymnic literature and the application of these principles in selected portions. Special attention to the various forms of the Psalms, their setting within the historical experience of Israel, and their application today within the church. Lecturer: Bruce K. Waltke, ThD, PhD. (OT 5100) *Three hours.*

DE 5060 THE BOOK OF PROVERBS

An exegetical study of the Book of Proverbs in its cultural, historical, and literary setting, with attention to its critical hermeneutical problems. To get the full benefit out of the course, a knowledge of Hebrew is required. Lecturer: Bruce K. Waltke, ThD, PhD. (OT 5100) *Three hours.*

DE 5120 THE CHRISTIAN AND OLD TESTAMENT THEOLOGY

A biblical and theological study of the foundational Old Testament theology applicable for the New Testament and the Christian church. Investigation of focal points for the theology of both the Old and New Testaments, as well as continuity and discontinuity between the testaments. Included are the topics of saving faith, the people of God, the role of the law of God, the worship of God, the doctrine of atonement, the kingdom of God, the Messiah, and the preparation of the New Covenant. Lecturer: Walter C. Kaiser, Jr., PhD. (OT 7090, ST 7090x) *Three hours.*

DE 5210 THE EPISTLE TO THE ROMANS (GREEK)

An exegetical and theological study of Paul's Epistle to the Romans in the Greek text. Includes the treatment of selected historical, grammatical, structural, and lexical data that help interpret this important New Testament document. Special emphasis given to the theological themes and argument of the epistle. Prerequisite: basic skills in Greek exegesis, including the ability to make grammatical and textual critical evaluations as well as to do Greek word studies. Lecturer: Harold W. Hoehner, ThD, PhD. (NT 7260) *Three hours.*

DE 5310 THE SERMON ON THE MOUNT

A consecutive exposition of Jesus' Sermon on the Mount in Matthew 5-7. Emphasis is on the distinctive character expected of the Christian and on the authority of the Lord Jesus Christ. Programmed syllabus requires an expository and reading study with emphasis on the practical and spiritual application of the Sermon on the Mount and on the theological issues and historical interpretations of that passage. Lecturer: John R. W. Stott, MA, DD. (NT 5100) *Three hours.*

DE 5320 THE PASTORAL EPISTLES

An expository and exegetical study of 1 and 2 Timothy and Titus, with emphasis on their special exegetical and interpretive problems and their relevance for society, church, and especially, church leadership. A working knowledge of Greek and a careful use of the required commentaries necessary for the programmed lesson plan. Lecturer: John R. W. Stott, MA, DD. (NT 6000) *Three hours.*

DE 5330 THE GOSPELS/LIFE OF CHRIST

A chronological, synthetic study of the four Gospel records, emphasizing the time, place, circumstances, and persons involved in the events of our Lord's ministry, with a view to a fuller understanding of the significance of his words and works. Lecturer: Terry C. Hulbert, ThD. (NT 5100) *Three hours.*

DE 5340 THE PARABLES OF JESUS

Methods of interpreting Jesus' parables are surveyed, and then an eclectic model drawing on the best insights of each is applied to each of the major narrative parables in the Gospels. Conclusions are drawn concerning the theology and significance of this portion of Jesus' teaching. Lecturer: Craig L. Blomberg, PhD. (NT 6000) *Three hours.*

DE 5350 THE GOSPEL OF LUKE (GREEK OR ENGLISH)

An examination of the Gospel of Luke with concentration on its message and preparation of narrative material for preaching and teaching. Course work will be based either on the Greek text or an English translation. Lecturer: Darrell L. Bock, PhD. (Equivalent to NT 7240 for students using the Greek text; otherwise equivalent to NT 5100.) *Three hours.*

DE 5440 CHRISTIAN ETHICS: BIBLICAL THEOLOGY OF MORALITY

An examination of the theories of obligation and theories of value from a biblical perspective. Includes implications for decision making in personal and church life. Lecturer: James M. Grier, ThD. (ST 5200) *Three hours.*

DE 5450 CONTEMPORARY THEOLOGY I: FROM HEGEL TO THE DEATH OF GOD THEOLOGIES

An examination of the major trends in contemporary thought, it includes a brief philosophical overview of the significant developments in Western philosophy prior to Hegel's influence throughout the modern period, Kierkegaard, Barth, Bultmann, and Tillich. Also, it includes the development of analytic philosophy, emphasizing the philosophy of the earlier and later Wittgenstein. It culminates in the God is Dead Theologies of Paul Van Buren and Thomas Altizer. Lecturer: John S. Feinberg, PhD. (ST 7510) *Three hours.*

DE 5500 THEOLOGY OF MARTIN LUTHER

The presuppositions of Luther's theology are set forth in his distinction of the two kinds of righteousness and the theology of the cross. Luther's treatment of central Christian doctrine, particularly justification by faith and the means of grace, are explored. Significant treatment is given to his understanding of life in human culture and society. Lecturer: Robert Kolb, PhD. (CH 6000) *Three hours.*

DE 5530 THE THEOLOGY OF JONATHAN EDWARDS

Detailed examination of the theology of Jonathan Edwards. Study of his teachings relative to the major points of Systematic Theology using a topical approach, with particular emphasis on his unique theological contributions. Lecturer: John H. Gerstner, PhD. (CH 6000) *Three hours.*

THE EXTENSION PROGRAM

Through Trinity's Office of Extension and Affiliated Education we provide educational services that are accessible for learners whose life situations are characterized by being rooted in communities other than Deerfield, Illinois. Our extension sites in the United States are primarily in the Midwest. Through the Extension program, we seek to enable more students to take advantage of Trinity's resources and services.

Extension sites provide the opportunity for students to study locally with regular Trinity faculty and extension adjunct faculty. Classes are scheduled to be compatible with the rooted lives of mature learners. The following **three formats** are used:

1. Evening classes consisting of class one night per week.
2. Weekend classes consisting of instruction on Friday evening and all day Saturday every two to four weeks.
3. Modular classes allowing a student to attend all classroom sessions within a short period of time. Reading assignments are completed ahead of these classes, and writing assignments follow.

First Night Seminars

Many of our extension sites offer **First Night Seminars** where the first night of most courses is open to the public, free of charge, as an opportunity to sample Trinity. If you choose to do so, you may continue in the course by registering before the start of the next day of the class.

Extension Sites

At all sites, the Master of Arts (Christian Studies) degree and the Certificate in Christian Studies can be pursued in their entirety.

The Chicago MA in UM Program

The entire Master of Arts in Urban Ministry program (MA in UM), as well as the general Master of Arts (Christian Studies) and Certificate in Christian Studies are available at our South Chicago Regional Center. For course and tuition

information about this program, please contact Dr. Michael Reynolds, assistant dean and director of the Master of Arts in Urban Ministry, program at 312.952.0644 in Dolton, Illinois, or on the web at www.tiu.edu/tiu/southchicago.

The Florida MA/CS Program

The entire Master of Arts (Christian Studies), as well as the Certificate in Christian Studies, may be earned at the Trinity Evangelical Divinity School (TEDS) extension location at the regional center of Trinity International University in south florida. The coordinator for the MA/CS program is Dr. Neil Skjoldal. For course and tuition information about this program, please contact our Florida Regional Center at 305.770.5100 or visit us on the web at www.tiu.edu/florida/divinity.

Enrollment in the Extension Program

If you desire to be admitted to Trinity's Master of Arts (Christian Studies), Master of Arts in Urban Ministry, or Certificate in Christian Studies, please complete the online application at www.tiu.edu/apply or call TEDS Admissions at 800.345.TEDS.

If you have not already been admitted, you must complete a **Visiting Student Application**, available at www.tiu.edu/visiting shortly after the first night of the course. Since Trinity offers graduate-level courses, you must send a transcript with your bachelor's degree to the TEDS Records Office to be eligible to earn credit.

Students who are not eligible or who do not wish to earn graduate credit may take the course on a noncredit basis. They also must complete the **Visiting Student Application** mentioned above but do not need to send undergraduate transcripts.

MA/CS Capstone Project/Integrative Paper

MA/CS candidates must complete an MA/CS Integrative Paper in order to graduate. Approval for this paper must be completed by at least the semester prior to graduation through the Director of Extension and Affiliated Education (800.588.7705). Registration for the MA/CS Integrative Paper is to be completed during the semester of graduation through the Extension Office.

The MA/CS Capstone Project/Integrative Paper is to be submitted to the Director of Extension and Affiliated Education six weeks prior to graduation.

Please contact the Office of Extension and Affiliated Education for all appropriate approval and registration forms.

Field Education

Every MA/CS student must complete two semesters of Field Education. There is great flexibility in how this Field Education requirement is completed. The registration deadline by which approval forms, covenants, and plan sheets must be turned into the Field Education Office is the third week of the semester. It is the responsibility of the student to register for Field Education at the site (the site will then forward the registration on to the Extension Office) and to submit all necessary forms to the Field Education Office by the third week of the semester.

For information regarding approving field supervisors, field education registration, and evaluation forms or a response to your questions about Field Education, contact Trinity's Field Education Office at 847.317.8032 or fielded@tiu.edu.

Deerfield Modular and Evening Courses

Nontraditional students may also avail themselves of modular courses on the Deerfield campus. Those students within driving distance of the Deerfield campus may enroll in evening classes. Modular courses last between one and three weeks during the fall, spring, and summer semesters. Evening courses meet during weeknights after 6:30 pm.

For complete information on Fall 2009 and Spring 2010 modular and evening courses, log on to Trinity at www.tiu.edu/tiu/academics/courseschedules. You may also get course information from Trinity Records at 847.317.8050.
